

## Health and Safety Policy

Green Maritime Limited is fully aware of its obligations for health and safety under the Health & Safety at Work Act 1974 and will make all reasonable efforts to ensure the health and safety of all persons affected by its activities. It is the Policy of Green Maritime Limited to achieve, so far as is reasonably practicable, the highest standards of health and safety, to ensure the health and safety of our staff, contractors, customers and others who may be affected by our actions and activities.

Green Maritime Limited will provide sufficient resources to meet obligations and responsibilities to maintain, monitor and where practical improve our health and safety performance.

In achieving our commitment to health and safety, Green Maritime will:

- Comply with relevant health and safety legislation and other requirements relating to health and safety at all of our work sites and locations.
- Take all reasonable steps to prevent personal injury and / or ill-health to our employees and contractors.
- Continually target improvements in health and safety management and health and safety performance.
- Ensure that all employees and contractors are aware of their statutory duties, the requirements of this Policy, the management organisation, and arrangements in place for its implementation and promotion.
- Educate and train our employees & ensure the competence of our contractors to work within the policy and ensure their understanding of their own individual responsibilities for health and safety.
- Assist in creating a working environment which encourages and maintains a pro-active approach to achieving improvements in health and safety performance.
- Fully comply with the safety management system of Client companies when staff and / or contractors are operating/ employed on their behalf.

The policy is fully endorsed by senior management and will be reviewed annually for continued suitability and updated where that review determines this as necessary.
